 - Ex: Center Services, Joint Wacenta Services , Gathering
- b. House meetings (Acts 20:20, Romans 16:3-5)
 - Ex: Wacenta Services

VISIONS OF A WACENTA

1. Fellowship (**Acts 2:42**)
 - a. Everyone in church is part of an unofficial group
 - b. Every Wacenta should have a family/friendship feeling
 - c. Your Wacenta Members **MUST** become your friends because you can only sharpen the countenance of your friend
 - ❖ It is still a **SERVICE** but the feeling should be fellowship
2. Spiritual growth (**Acts 9:31**)
 - a. Edification causes Multiplication
 - b. Study the topics deeply because there will be questions/discussions. This will help the members grow (**1 Peter 2:2**)
 - c. People must grow by the Word
 - ❖ The Wacenta Leader must teach the Word to grow the people NOT to excite them and preach a good word
3. Evangelism (**2 Timothy 1:8-9**)
 - a. It's easier to invite unbelievers to this type of service
 - b. Through the Word , and Sharing of testimonies during the preaching, members are encouraged to invite others so that they can hear The Gospel (Titus 2:11)
4. Mobilization

- a. Mobilize your members to the Joint Center Service the first week of the month
- b. Mobilize your members to Center Service the second week of the month

PERSON X ORIENTATION

Orient the service to a certain type of person

Ex: Person who doesn't understand "Forgive , Mercy , What a Shock, Woba Wobi3"

You must design a Wacenta that caters to that person

1. Service must start on TIME (All Wacenta meetings should be held between 6pm-9pm Ideally on Wednesdays or Thursdays)
2. Setting - No Standing or Pulpit use
 - a. It is relaxed, but it's a SERVICE , pray to start and no other unrelated discussions
3. Venue - Can remain on zoom for the time being
